Ph.D. Course Request for Transfer Credit

NAME: _____ LSUID: _____ DATE: _____

When submitting your program of study forms, complete the table below listing the courses you would like to transfer from the previous institution toward your Ph.D. degree in ME at LSU. Submit a copy of the previous university's transcript and description of courses with this form. Discuss with your Major Professor to determine if the courses are acceptable and related to your ME Degree Program.

Please note: Requirements of course work for Ph.D. Degree:

- B.S. to Ph.D. – minimum 36 credit hrs. of course work with at least 12 credit hrs. of dissertation research (ME 9000) at LSU
- M.S. to Ph.D. - have recognizable MS degree with 24 credit hours – at least 12 credit hrs. of CORE course work with 12 credit hrs. of dissertation research (ME 9000) at LSU

The transfer courses must relate to your Ph.D. and be approved by your major professor and advisory committee members. Courses that are relevant to 7XXX level courses at LSU should be certified to be equivalent and approved by the advisory committee and the last faculty who taught the course in the given subject area at the proposed level.
