

EMT Refresher

Course Description

This course is offered to Emergency Medical Technicians to meet the requirements for National Registry of Emergency Medical Technicians re-registration. Attendance at all sessions is mandatory. Students must pass a State Bureau of EMS-approved written and practical examination. Upon successful completion, students will receive a certificate from FETI and an official letter from the LA Bureau of EMS.

Prerequisites

The student must be currently nationally registered, certified as an EMT by the State of Louisiana, meet any additional requirements imposed by the Louisiana Office of Hospitals, and be certified in Basic Life Support (BLS) at the Health Care Provider Level (American Heart Association or approved equivalent).
