

Heartsaver First Aid CPR AED

Course Description

The Heartsaver First Aid and CPR AED courses are designed to prepare people to provide first-aid, cardiopulmonary resuscitation (CPR), and automated external defibrillation (AED) use in a safe, timely, and effective manner.

Heartsaver courses are video-based, instructor-led courses that teach students critical skills to respond and manage an emergency in the first few minutes until someone with more advanced training arrives and takes over.

The course includes group interaction and hands-on coaching and feedback from an AHA instructor. Classes may be taught on-site at the company's location.

Class Notes

Hours	Cost
5	\$75

The lower listed cost applies to all Louisiana Municipal Fire Departments who are issued a Fire Department ID from the State Fire Marshal's Office.
