Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

Louisiana State University—Student Health Center Internship Program offers training in assessment, psychological testing, psychotherapy, consultation, and other forms of treatment. Applicants who have a primary interest in University counseling centers would be a good fit for our program. Successful applicants generally have previous psychotherapy experience and some assessment background.

Financial and Other Benefit Support for Upcoming Training Year*
